ABOUT US

Sniktaw Environmental Services is a woman-owned construction inspection firm specializing in NPDES compliance for construction projects across Georgia. We provide erosion control inspections, stormwater monitoring, water quality testing, and regulatory support under the Clean Water Act. Certified by GSWCC and GDOT, our experienced team delivers trusted, compliance services—from permitting and GEOS reporting to inspections and documentation—helping contractors and agencies stay on schedule and in full compliance.

CERTIFICATIONS

- GDOT Worksite Erosion Control Supervisor Certification #826131
- GDOT Vendor Identification # 18910
- GSWCC Level 1B Inspector Certification #89104
- GSWCC Level II Plan Review Certification #89104
